

***“Aventura Healing Revival”***

***December 13<sup>th</sup>, 14<sup>th</sup> & 15<sup>th</sup> Wednesday - Friday (work has begun)***

**The HOLY GHOST has Made known:**

The City of Aventura, surrounded by beautiful Mountains linked together, each having its own distinct composition and color... Segregated from the Preaching of the Gospel.

These mountains represent the pompous pride of the city leaders and its citizens, being carried down to an eternal hell without interruption, as harvesters stand back giving these souls a pass to make their dwelling in the lake which burns with never-ending FIRE and BRIMSTONE...

Who among the Lord’s Army will hear the call of the HOLY GHOST and join Jehovah Saba-oth (Host of the Lord’s Army) to war against sátan for these captives in the city of Aventura?

**The Vision:** To bring churches together from around the Nation to Host a “Healing Revival” for a great HOLY GHOST Move in the spiritually bankrupt city of Aventura.

There will be **Only ONE HEADLINER... The HOLY GHOST and FIRE...**

As HE entrusts us with HIS possessions according to our several abilities, we will humbly serve.

**The Mission to secure Financing** for these services is through Free will offerings and Donations.

**The Harvest Team Will come** together often in prayer & fasting for this Mission.

**WELCOME Pastors!** We need you on board this Team...Come and co-labor with The Holy Ghost in the Aventura Harvest. **Are there ways you can HELP?** Please let us hear from you. **We especially need your PRAYERS...
